Appendix 1A
ASX Listing application and agreement

- 5 We will comply with the listing rules that are in force from time to time, even if *quotation of our *securities is deferred, suspended or subject to a *trading halt.
- 6 The listing rules are to be interpreted:
- in accordance with their spirit, intention and purpose;
 - by looking beyond form to substance; and
 - in a way that best promotes the principles on which the listing rules are based.
- 7 ASX has discretion to take no action in response to a breach of a listing rule. ASX may also waive a listing rule (except one that specifies that ASX will not waive it) either on our application or of its own accord on any conditions. ASX may at any time vary or revoke a decision on our application or of its own accord.
- 8 A document given to ASX by an entity, or on its behalf, becomes and remains the property of ASX to deal with as it wishes, including copying, storing in a retrieval system, transmitting to the public, and publishing any part of the document and permitting others to do so. The documents include a document given to ASX in support of the listing application or in compliance with the listing rules.
- 9 In any proceedings, a copy or extract of any document or information given to ASX is of equal validity in evidence as the original.
- 10 Except in the case of an entity established in a jurisdiction whose laws have the effect that the entity's *securities cannot be approved under the operating rules of the *approved CS facility:
- We will satisfy the *technical and performance requirements of the *approved CS facility and meet any other requirements the *approved CS facility imposes in connection with approval of our *securities.
 - When *securities are issued we will enter them in the *approved CS facility's subregister holding of the applicant before they are quoted, if the applicant instructs us on the application form to do so.
 - The *approved CS facility is irrevocably authorised to establish and administer a subregister in respect of the *securities for which *quotation is sought.
